

About Me

Hi!, I'm Gráinne Ní Ailín!

I'm a 19-year-old BESS Student from Wexford Town. I'm currently on the Scéim Cónaithe (Irish Language Scheme) here in Halls.

I am running to be your next JCR President.

My Vision

I plan on make Halls **a welcoming and comfortable place for all incoming students** by helping them get on their feet in Dublin and to make the transition into Halls life as easy as possible!

I want to ensure that the momentum and **the work done by this year's JCR is continued** and **will support the JCR to the best of my ability** to make the Halls experience as enjoyable as it can be for it's residents!

My Experience

- I was **Oifigeach na Gaeilge** of the **Irish Second Level Students Union (ISSU)**
- I am **first year rep** for the Politics Society agus an Cumann Gaelach.
- I am current **BESS Class Rep.**
- I am currently on the **Monitoring & Advisory Committee** of the ISSU.
- I've been **captain** of inter- county **Gaelic Football** and **Soccer** teams.
- I was one of the winners of the **Rotary Youth Leadership Development** Competition 2022.
- I was **President** of the **SVP Commitee** in school.
- I was **Chairperson** of the Student Council for **2 consecutive years.**

Gráinne's Goals

Support Student Workers

As a student worker myself I **understand how difficult it can be** to find a job and get settled in Dublin.

- **If elected**, I will create a **Jobs notice board** in Oldham House **to help students find jobs in Dublin.**
- **If elected**, I will provide a '**Student Workers ' starter manual** to students which would entail their rights as workers and how to get started with work in Dublin and Ireland.
- **If elected**, I will get in touch with companies who offer **worker upskilling** such as Barista Courses to offer Halls students a chance to upskill for work at a discounted rate.
- **If elected**, I will hold **information sessions on J1 Visas** and how to go abroad for work in the summer.

First Aid Supports

You can never plan for medical emergencies but it **doesn't hurt to be prepared for one.**

- **If elected**, I will **include a First Aid Talk** as part of the Orientation in Halls so students know how to recognise and deal with emergencies.
- **If elected**, I will ensure that every flat was given a '**How to deal with Medical Emergencies ' guide** so residents are aware of the steps they should take if they were to encounter an emergency .
- **If elected**, I will liaise with the Wardens and Welfare Officer to ensure **students know what steps to take** if ever faced with a medical emergency in Halls.

An Ghaeilge

The College has recently passed a motion allowing for the **creation of a full time SU Oifigeach na Gaeilge.**

- **If elected**, I will work to **establish a JCR Oifigeach na Gaeilge** to ensure Halls students are not left behind and that Irish Speaking Students are represented on the JCR.
- **If elected**, I will establish a **Gaeilge sub-committee** to translate all JCR content and to promote Gaeilge in Halls.
- **If elected**, I will work with the residents of an Scéim Cónaithe to hold **events as Gaeilge** for residents.
